

# VOLUNTARY STUDENT ACCIDENT INSURANCE COVERAGE

For

## UNION AREA SCHOOL DISTRICT

To help guard against the expense of an accident we are once again offering Voluntary Student Accident Insurance to our students for the 2023-2024 school years through A-G Administrators LLC. This coverage may provide some relief from personal expenses due to deductibles and co-insurance or the lack of primary insurance all together.

You may choose 24-hour accident medical coverage which provides benefits for covered injuries around the clock and throughout the year including weekends, vacations and summers

Also available is School Time accident medical coverage which provides benefits for covered injuries sustained during the hours and days when school is in session and while attending or participating in school sponsored and supervised activities.

For the sake of our environment the brochure and enrollment form will be available on our School District Website:
